HOME SURVEILLANCE CAMERA INSTALLATION GUIDELINES

Privacy Policy:

- Home surveillance cameras must only capture footage of activity on the homeowner's property.
- Home surveillance cameras must not capture footage of any neighboring property, such as windows, doors, pathways, driveways, garages, front and back yards, parking lots or roadways.

Installation Guidelines:

- The equipment must be installed on the inside of a townhouse ("**Unit**") by professional service personnel to properly manage the wiring/installation requirements.
- There shall be no visible wires of any kind on the outside of the townhouse.
- The homeowner may be asked to share captured footage with law enforcement or Corporate representatives, as required.
- The Corporation accepts no responsibility whatsoever for these products.
